Integers

Page :

Date : / /

Natural numbers :

Counting numbers are called natural numbers.

Thus, 1, 2, 3, 4, 5, ..., etc., are all natural numbers.

Whole numbers :

All natural numbers together with 0 (zero) are called whole numbers.

Thus, 0, 1, 2, 3, ..., etc., are whole numbers.

Note :- Every natural number is a whole number but 0 is a whole number which is not a natural number.

Integers :

All natural numbers, 0 and negatives of counting numbers are called integers.

Thus, ..., -4, -3, -2, -1, 0, 1, 2, 3, 4, ... are all integers.

Integers representation on a number line is as follows:
